Our research published paper: <https://actascientific.com/ASAG/pdf/ASAG-03-0393.pdf>. Please join all countries by banning hard woods from importation for 20 years, which originated in South America. This is what funds the illegal deforestation, which is 60% of the 30 million acres per year. Our sponsored article in the Rio Times. <https://riotimesonline.com/brazil-news/rio-politics/stop-amazon-rainforestdeforestation-sponsored/>. This ban will start ASAP.
